

## SERLE COURT: PUPILLAGE POLICY

### Responsibilities for pupillage matters

1. The responsibility for pupillage matters in Chambers shall be with the Pupillage Committee.
2. The Pupillage Committee shall from time to time comprise:
  - a. a chairperson (the “Chairperson”);
  - b. a secretary (the “Pupillage Secretary”);
  - c. a mini-pupillage secretary; and
  - d. at least 3 other members of Chambers.
3. The members of the Pupillage Committee shall be appointed by the members of Chambers in accordance with Chambers’ constitution.
4. Where discussions or decisions are to take place concerning pupils within Chambers the appropriate pupil supervisors shall, if possible, attend the relevant Pupillage Committee meeting or meetings.
5. Decisions of the Pupillage Committee shall be taken by simple majority vote.

### Selection of pupils

6. Serle Court is a member of the Pupillage Gateway and all applications for pupillage must be made through that system in line with its and our published timescale. Pupillage offers will also be made through the Gateway system. The full timetable for applications can be found on the Pupillage Gateway website together with other recruitment information <https://www.pupillagegateway.com/>
7. The selection of all pupils for Chambers shall be carried out by the Pupillage Committee in accordance with this policy document and the BSB equality and diversity rules which shall take precedence over this policy document in the event of any inconsistency. Members of Chambers are not entitled to select pupils individually.
8. Paragraphs 9-33 below apply to funded pupillages. Chambers does not offer unfunded or sponsored pupillages.
9. Each year the Pupillage Committee shall decide the maximum number of pupillages it may recommend to be offered in the next round of pupillage recruitment and the amount of the financial award for each such pupillage. If the Pupillage Committee proposes to change the number of funded pupillages recommended to be offered from the previous year, or the financial award, then either the Management Committee or if necessary members of chambers shall consider, and either approve, amend or reject any such proposed changes.
10. The number of pupillages being offered and the amount of the financial award for each pupillage shall be published and advertised as the Pupillage Committee shall think fit.

11. Each pupillage application received shall be anonymised and then separately considered by two members of chambers appointed by the Pupillage Committee. All the applications shall be considered by the same two members. The two members of chambers who each consider all the applications are hereinafter referred to as “the Tier 1 Selectors”.
12. The Tier 1 Selectors shall each mark the applications by reference to the assessment criteria and in accordance with the marking scheme agreed in advance by the Pupillage Committee.
13. The Tier 1 Selectors shall mark the applications independently of each other, and without knowledge of the marks given by the other.
14. The top 20 applicants ranked by aggregate mark (combining the marks given by the two Tier 1 Selectors and subject to any adjustment to reflect the RARE recruitment algorithm or such other comparable mechanism as the Pupillage Committee shall decide to apply) shall be invited for a “First Interview”. In the event of a tie between two or more applicants for the last automatic First Interview place, at the discretion of the Chairperson all such applicants shall either be invited for a First Interview or have their applications marked by a third member of chambers appointed by the Pupillage Committee (the “Tier 2 Selector”) in accordance with paragraph 15. In addition to the applicants who are invited for a First Interview in accordance with the first two sentences of this paragraph, any applicant(s) who undertook a reserved mini-pupillage during the year preceding that recruitment cycle shall also be invited for a First Interview.
15. The applications of the applicants ranked from 21 to 40 by aggregate mark (combining the marks given by the two Tier 1 Selectors and subject to any adjustment to reflect the RARE recruitment algorithm or such other comparable mechanism as the Pupillage Committee shall decide to apply), together with (a) the applications of any applicants referred by the Chairperson under paragraph 14, and (b) the applications of any applicants ranked from 41 to 60 by aggregate mark in respect of whose applications the marks of the two Tier 1 Selectors differ by 10% or more, shall be considered and marked by the Tier 2 Selector. In the event that two or more applicants are tied for the last place for consideration by the Tier 2 Selector, the Tier 2 Selector shall consider the applications of all such applicants.
16. The Tier 2 Selector shall mark the applications that they are required to mark by reference to the same assessment criteria and in accordance with the same marking scheme employed by the Tier 1 Selectors. They will do so independently of the Tier 1 Selectors and without knowledge of the marks given to the relevant applications by the Tier 1 Selectors.
17. Purely by reference to the marks that the Tier 2 Selector gives to the applicants whose applications they mark (subject to any adjustment to reflect the RARE recruitment algorithm or such other comparable mechanism as the Pupillage Committee shall decide to apply), the Tier 2 Selector shall recommend to the Pupillage Committee that no fewer than 6 and no more than 15 such applicants be invited for a First Interview. Absent exceptional circumstances, the Pupillage Committee shall follow the recommendation of the Tier 2 Selector.

18. In the 2022/3 pupillage round, all applicants shall be invited to sit a multiple-choice situational judgment test devised for Serle Court by the Work Psychology Group. In the event that any candidates who score in the top 35 in that test have not already been put forward for interview by the Tier 1 Selectors or the Tier 2 Selector, they too shall be invited for a First Interview.
19. Any applicant who is not invited for a First Interview shall be informed in writing as soon as practicable that their application has been unsuccessful.

#### Selection criteria

20. The assessment criteria and marking scheme agreed from time to time by the Pupillage Committee shall reflect independent expert advice as to the best means of avoiding or mitigating the effects of any conscious or unconscious biases and avoiding impermissible direct or indirect discrimination.
21. The qualities that we seek to cultivate in Serle Court pupils and tenants are documented [here](#). Our pupillage interview processes are designed to elicit candidates who evidence these qualities or the potential to develop them.
22. The assessment criteria and marking scheme to be used to grade the application forms in a particular recruitment round shall be published on Chambers' website when the Pupillage Gateway opens.

#### First Interview

23. The First Interviews shall be conducted by at least three members of Chambers, sitting in parallel in two separate panels ("the First Interview Panels"). Each of the First Interview Panels shall interview approximately half of the applicants who attend a First Interview. Further:
  - a. if reasonably practicable, the two First Interview Panels shall comprise the same members for all of the interviews that they carry out; and
  - b. the members of the First Interview Panels shall not include the Tier 1 Selectors or the Tier 2 Selector.
24. Before the First Interview in each recruitment round the First Interview Panels shall agree (subject to the approval of the Pupillage Committee) certain common questions to ask each of the First Interview candidates. In agreeing and considering whether to approve the common questions the First Interview Panels and the Pupillage Committee (respectively) shall have regard to independent expert advice as to the best means of avoiding or mitigating the effects of any conscious or unconscious biases and avoiding impermissible direct or indirect discrimination during interviews (the "Interview Advice"). Further, the common questions shall be designed to enable the First Interview Panels to assess inter alia:

- a. the applicant's intellectual ability;
  - b. the applicant's ability to present and articulate analytical and persuasive oral argument;
  - c. the applicant's judgment;
  - d. whether the applicant would be able to establish and maintain good relationships with:
    - i. lay clients; and
    - ii. solicitors,
- against the said assessment criteria.
25. During each First Interview the First Interview Panels shall ask each applicant the common questions and such other general or follow up questions as the First Interview Panels shall think appropriate.
26. At the end of the First Interview, the First Interview Panels shall assess the applicant using the assessment form and rating scale then in force (which assessment form and rating scale shall be agreed by reference to the Interview Advice and published on Chambers' website at least one month before the date of the First Interview). At the conclusion of the final First Interview, the First Interview Panels in a combined meeting attended by the Pupillage Chairperson and/or the Pupillage Secretary and/or such other member of the Pupillage Committee as the Pupillage Committee shall determine shall decide which applicants are to be invited for a "Second Interview". During that meeting, the panel members will be invited to reconsider the scores that they have given to any applicants who have been given two or more 'flags' under the RARE algorithm to decide whether to revise those marks upwards in any respect. The First Interview Panels shall select no fewer than 8 and no more than 12 applicants to be invited for a Second Interview.
27. Each First Interview candidate shall be informed of the outcome of his or her interview as soon as is practicable after his or her First Interview.

#### Second Interview

28. Each Second Interview shall be conducted by three members of Chambers ("the Second Interview Panel"). Further:
- a. if reasonably practicable, the Second Interview Panel shall, for each of the Second Interviews, comprise the same members; and
  - b. the members of the Second Interview Panel shall not include any member who was part of the First Interview Panel or who was a Tier 1 Selector or a Tier 2 Selector.
29. The Second Interview shall follow the same format for every applicant. Such format, and the assessment form and rating scale to be used for the purposes of the Second Interview

shall be agreed by the Pupillage Committee by reference to the Interview Advice and notified to the applicants who are invited for Second Interview.

### Selection of pupils

30. A member shall only be eligible to act as a Tier 1 Selector, a Tier 2 Selector, or a member of the First or Second Interview Panels if they have undergone Equality and Diversity Training within the previous 5 years. Further, all members of the Pupillage Committee must undergo Equality and Diversity training at least once every 5 years. The Pupillage Committee shall maintain for at least 5 years training records for all members of the Pupillage Committee and anyone who acts as a Tier 1 Selector, a Tier 2 Selector, or a member of the First or Second Interview Panels.
31. After the final Second Interview, as many members of the First and Second Interview Panels as reasonably practicable but at least one from each shall meet with the Pupillage Committee. At that meeting (or meetings):
  - a. the performances in first and second round interview, application forms, and references of the Second Interview applicants shall be discussed;
  - b. the representatives of the First and Second Interview Panels shall communicate their assessments of the Second Interview applicants to the Pupillage Committee, and in particular which applicants, if any, they recommend:
    - i. be offered pupillages in the first instance; and
    - ii. may be offered pupillages if an applicant made an offer under paragraph 31(b)(i) does not accept it ("reserve applicants");
  - c. the Pupillage Committee shall in its discretion decide which applicants to make offers of pupillage to.
32. Before an offer of pupillage is made to any applicant, the Chambers Director shall on behalf of Chambers undertake appropriate due diligence to satisfy themselves that (a) the academic and vocational training components have been satisfactorily completed within the 5 year limit, (b) the prospective offeree is a member of an Inn, (c) the prospective offeree has been called to the Bar or will be called to the Bar prior to or during his or her pupillage, and/or (d) waivers have been granted by the BSB, where relevant. Where a successful applicant requires an immigration visa to permit them to undertake pupillage, the Chambers Director shall use their best endeavours to assist them in obtaining such visa, and Chambers shall pay any Skills Charge fee payable in respect of that applicant.
33. Offers of pupillage will be made in line with the timeline prescribed by the Pupillage Gateway.

### Third six-month pupillages

34. The Pupillage Committee shall from time to time decide whether to recommend that Chambers recruit one or more third six-month pupils.

35. If the Pupillage Committee makes such recommendation and is authorised to recruit one or more third six-month pupils, it will use such recruitment procedure as it considers appropriate having regard to the Interview Advice.

#### Retention of data and records

36. The Pupillage Committee shall retain for at least 5 years (a) all recruitment records (including advertisements, application processes, selection criteria and assessor records), (b) diversity data for pupillage applicants (including data relating to applicants, interviews offered, pupillage offers made, places taken up and the action taken following the review of such data), and (c) any complaints or grievances together with any analysis thereof and action taken.

#### Conduct of pupillage

37. All prospective pupils will be required to execute a contract governing the detailed terms of their pupillage. The terms of the contract are to be approved by the Pupillage Committee. The Pupillage Committee shall retain copies of each pupillage contract for at least 5 years.
38. Pupils shall follow Chambers' pupillage training programme in the form agreed by the Pupillage Committee from time to time, which training programme shall be attached to or incorporated into the pupillage agreement into which the pupils enter.
39. At the start of each pupillage a pupil shall be allotted a pupil supervisor who shall have overall responsibility for that pupil for such period as determined by the Pupillage Committee, but in any event not less than three months.
40. Those who are undertaking twelve-month pupillages shall sit with at least three pupil supervisors, and customarily four. Those who are undertaking six-month pupillages shall sit with at least two pupil supervisors.
41. All pupil supervisors will be trained in accordance with the outcomes and frequency specified by the Bar Standards Board in the Bar Training Manual. Refresher training will be mandatory for all pupil supervisors, and will be required every 5 years, or after 3 years for someone who has not supervised any pupils in the intervening time. The Pupillage Committee shall maintain for at least 5 years training records for all pupil supervisors.
42. In so far as is reasonably practicable, each pupil will sit with pupil supervisors practising in Chambers' core areas of practice.
43. A pupil shall sit with his or her pupil supervisor or such other member or members of chambers as shall be agreed between the pupil supervisor and the Pupillage Secretary in consultation with the other members of the Pupillage Committee.
44. No pupil shall undertake work for a member of chambers other than with the prior permission of his or her pupil supervisor. No pupil shall undertake work in his or her name during pupillage without the prior consent of his or her pupillage supervisor and, save in the

case of uncontested applications or other minor pieces of work, the prior consent of the Pupillage Secretary. Separate arrangements may be made for third six pupils.

45. Throughout the course of pupillage, the Pupillage Committee shall have discretion to make such reasonable adjustments to pupils' training programme, working hours and practices as pupils may request or otherwise seem appropriate to the Pupillage Committee in the light of the particular circumstances of the relevant pupil(s).
46. The general obligations and functions of a pupil supervisor shall be those set out in the Bar Handbook (as amended from time to time). Without prejudice to the obligations therein described, pupil supervisors are required:
  - a. to provide regular and, in so far as practicable, immediate feedback on each piece of work undertaken by his or her pupil, and to ensure (in so far as practicable) that similar feedback is provided by other members of chambers for whom that pupil completes work;
  - b. to provide regular assessment of his or her pupil's progress both to the pupil concerned and to the Pupillage Committee at meetings to be arranged by and at the discretion of the Pupillage Secretary; and
47. The Pupillage Secretary in conjunction with relevant staff members acting under the Chambers Director shall be responsible for the administration of pupillage within chambers. The Pupillage Secretary – in consultation with the pupil supervisors – shall
  - a. ensure that the pupils undertake one or more common pieces of written work to be used to assist in the assessment of the pupils' ability;
  - b. arrange for at least one advocacy exercise to be undertaken by the pupils to be used to assist in the assessment of the pupils' ability;
  - c. endeavour to identify gaps in any pupil's training, in particular in the core areas of Chambers' work and ensure that such gaps are met by an appropriate placement with an appropriate member of chambers; and
  - d. ensure, in consultation with the pupils, that (in so far as is possible) pupils are exposed to all areas of work undertaken in Chambers in which they have a particular interest.
48. The Pupillage Secretary and the pupil supervisors shall be responsible for ensuring that Chambers completes all such forms and records relating to pupillage as may from time to time be required of it by the Bar Council, the Bar Standards Board and/or the Inns of Court. Pupils shall be individually responsible for ensuring that they complete any such similar forms and records required of them.
49. The Pupillage Committee may make such arrangements as it thinks fit to provide informal support for pupils throughout their pupillage.

#### Selection of junior tenants

50. Chambers' present policy is that (save in exceptional cases) recruitment of those who have never previously practised as tenants shall be exclusively from Chambers' pupils. Members of Chambers are warmly encouraged to get to know the pupils at an early stage of their pupillage, and interact with them as much as possible throughout, whether by attendance at social events in Chambers or otherwise.
51. In considering whether any pupil ought to be recommended to Chambers for tenancy, the Pupillage Committee shall assess that pupil against the matrix of attributes publicised on Chambers' website, and in particular:
1. the pupil's intellectual and practical ability as demonstrated in the written and oral work undertaken during the course of his or her pupillage;
  2. whether the pupil has the skill and motivation necessary to practise successfully at the Chancery/Commercial Bar; and
  3. whether the pupil would be able to establish and maintain good relationships with other barristers, solicitors, lay clients and the judiciary.

It is the present policy of Chambers that there is a strong presumption that any pupil who reaches the requisite standard shall be offered tenancy in Chambers.

52. Once pupils who are undertaking a 12-month pupillage have completed 6 months of pupillage, the Pupillage Committee will make an Interim Report to Chambers on the prospect for each of them of a recommendation to Chambers that they be taken on as tenants (as to which, see paragraph 53 below). That report will highlight their apparent strengths against the matrix of attributes, as well as the areas where further development may be required, and will identify each pupil's third seat supervisor. For the avoidance of doubt, a copy of the report will not be provided to the pupil, but either their second or third seat supervisors will clearly inform them of any areas of their performance which have been identified as being likely to benefit from further development. The third seat supervisor shall give particular focus to all areas requiring further development during the pupil's third seat, and members of Chambers who consider that they have work that the pupil could do or see that might assist their development should notify the third seat supervisor (who has ultimate responsibility for deciding what work the pupil should undertake during that seat).
53. During the first week of the 9th month of any pupillage cycle, the Pupillage Committee will consider whether they intend to recommend to Chambers that tenancy be offered to any or all of the pupils in the relevant intake to commence on completion of their pupillage. As noted, there is a strong presumption that such a recommendation will be made if that pupil has in their opinion met the standard required of Serle Court pupils at that stage of their training. If the standard has not been met at that time, Chambers considers it better for the affected pupils to seek Third Six pupillages in other sets, and the Pupillage Committee and other members of Chambers agree to use reasonable endeavours to assist any pupil not offered tenancy to find a further period of pupillage or a junior tenancy at another set of chambers.

54. In respect of pupils undertaking a 6-month pupillage, the Pupillage Committee may at any time make such recommendation to Chambers as it considers appropriate.
55. After the meeting referred to in paragraph 53 above, the Pupillage Committee shall circulate a Final Report to Chambers which in the case of every 12-month pupil, will address the question of the pupil's development since the Interim Report and how it has enabled the matrix of attributes to be sufficiently satisfied, and will contain the recommendation to Chambers as to whether each pupil should or should not be offered tenancy.
56. Any member of Chambers who has any concern over the recommendations made in the Final Report should notify the Chair of the Pupillage Committee at the earliest opportunity, and no later than 7 days from the date on which the Final Report is circulated. In so responding, Members should consider that Chambers has a contractual obligation to pupils to make decisions on objective and fair grounds. The Pupillage Committee will then convene and decide how to deal with the concerns raised, which may involve indicating to Chambers that there will be a delay in voting on the admission/s. The Pupillage Committee has a power to entertain concerns expressed late but only if there is a good reason for the lateness, if they are able to do so without unfairness to the pupil, and if they are significant enough to warrant attention late.
57. In the event that no concerns are raised about the recommendation of the Pupillage Committee in the 7 days following the circulation of the Final Report or in any longer period allowed by the Pupillage Committee, or in the event that such concerns are raised and dealt with to the satisfaction of the Pupillage Committee, the Chambers Director will initiate a voting poll to enable members to vote on the admission of the pupil/s to tenancy within 14 days of the Final Report being circulated. The vote will enable members to decide in accordance with Chambers' constitution whether to implement that recommendation.
58. In the event that the Pupillage Committee do not consider that the concerns have been satisfactorily resolved in relation to any one pupil, the Pupillage Committee will withdraw their recommendation and Chambers will be notified of that fact and that the poll in relation to that pupil will not proceed.
59. The selection of tenants other than those commencing tenancy for the first time shall not be the responsibility of the Pupillage Committee.

#### Equal opportunities

60. Recruitment for and conduct of pupillage will be carried out without unlawful discrimination and in a manner fair to all.
61. In making any decision relating to the selection of mini-pupils, pupils and junior tenants or the conduct of mini-pupillages or pupillages a member of Chambers or staff must not make such decision on the basis of, or be influenced by, a person's age; disability; gender reassignment; marital or civil partnership status; pregnancy or maternity; race, colour, nationality, ethnic or national origin; religion or belief; sex and sexual orientation, save to

the extent that may be justified in accordance with the law and Bar Standards Board guidance.

### Complaints

62. If a pupil or mini-pupil, an applicant for pupillage or mini-pupillage, a member of Chambers or a member of staff has any complaint about the selection of pupils or mini-pupils, he or she shall be entitled to make a formal complaint and shall do so in accordance with the Chambers' Complaints Policy (Annex A).

63. If a pupil has a grievance relating to their pupil supervisors, other barristers, clients, members of staff, other pupils or their pupillage, they can use the grievance procedure (Annex B) to help to resolve their grievance.

## Annex B

### **SERLE COURT: GRIEVANCE PROCEDURE (PUPILS)**

#### **Introduction**

It is the policy of Chambers to ensure that pupils with a grievance relating to their pupil supervisors, other barristers, clients, members of staff, other pupils or their pupillage can use a procedure which can help to resolve their grievances as quickly and as fairly as possible. This document sets out the procedure which applies if any pupil has any such grievance.

#### **Informal discussions**

A pupil who considers that he or she has a grievance:

about a pupil supervisor or their pupillage generally should discuss it informally with the pupillage committee secretary or chairman; or

about another barrister, a client, a member of staff or another pupil should discuss it informally with their pupil supervisor.

Chambers hopes that the majority of concerns will be resolved at this stage.

#### **Meeting**

A pupil who considers that his or her grievance has not been resolved through informal discussions, should put his or her grievance in writing to the Chambers Director.

The Chambers Director will invite the pupil to attend a meeting to consider the grievance. The pupil should take all reasonable steps to attend this meeting. If the pupil wishes, he or she may choose to be represented or accompanied at this meeting by either a member or an employee of chambers.

The pupil will be notified of the decision of the Chambers Director in writing within 5 working days of the meeting.

If the Chambers Director considers it appropriate, she may delegate her function under this paragraph to another suitable member or employee of chambers.

#### **Appeal**

If the matter is still not resolved to the pupil's satisfaction, the pupil should put his or her grievance in writing to the Grievance Committee within 5 working days of receipt of the written decision in relation to the grievance.

The Grievance Committee will consist of the Chair of the Management Committee, two Members of Chambers chosen by the Management Committee, the Head Clerk and the Chambers Director (but will not include any person who has dealt with the grievance previously or who is the subject of the grievance).

The pupil will be entitled to have an appeal meeting with the Grievance Committee to discuss the matter. The pupil must take all reasonable steps to attend this appeal meeting. Should the

pupil wish, he or she may choose to be represented or accompanied at this meeting by either a member or an employee of chambers.

The Grievance Committee will give its decision in writing within 10 working days of the appeal meeting. The decision of the Grievance Committee will be final and binding (subject to any right that may exist to take the subject matter of the grievance to the Bar Standards Board or other relevant body).
