Raises the Bar in Chancery & Commercial

‘Serle Court is an excellent set, particularly good for contentious trust and offshore work. A varied spectrum of skilled practitioners.’ **Legal 500**

Serle Court offers genuine expertise across a broad range of chancery and commercial disciplines – covering the whole range of ‘business’ law, from offshore litigation about the world’s largest companies to domestic advice on probate matters, for both private and professional clients at home and abroad. One of our core practice areas is trusts and we are applauded for being “*the leading chambers for the big offshore trusts disputes,*” and for having “*a varied spectrum of skilled practitioners.*”

We are involved in the most contentious and high-value trust and estates litigation in the UK and offshore, being ranked in Tier 1 for Private Client and Offshore Work. We advise and appear across the common law world as well as in England and we are one of the most prominent and widely-used sets for such litigation in the Channel Islands, the Eastern Caribbean, Bermuda, Cayman, Bahamas and Hong Kong.

In 2021, Serle Court was awarded ‘**Chambers of the Year**’ at the Citywealth Magic Circle Awards. The judges described Serle Court as “*the chambers of the future*” and “*forward-looking and quick to react*”. Our barristers continue to be instructed in the most significant and high-profile cases, both onshore and offshore, including in the case of *Wong v Grand View Private Trust Company Ltd & Ors*, which is believed to be the largest (and possibly most complex) piece of contentious trusts litigation globally.

The members of Serle Court are proud to be able to sponsor, speak at and attend the Informa Connect: Trusts in Litigation Conference, 2021.
