## Senior Commercial Chancery Practitioners

Serle Court is a leading Commercial Chancery set with 81 members based in Lincoln's Inn. Recognised by Chambers and Partners as Chancery Set of the Year 2022 and by Legal 500 as Commercial Set of the Year 2022, Chambers and its members have multiple recommendations in the directories across our fields of practice. We have a modern, inclusive, very welcoming culture and are led by a former member as Chambers Director, supported by committed and highly regarded practice management and business development teams.

Chambers has resolved upon a programme of strategic expansion in the coming years. We invite applications from silks and juniors over 10 years' call with excellent reputations and successful domestic and international practices in one or more of the following areas:

- **Commercial Litigation and Arbitration**

- Civil Fraud
- Partnership
- Company
- Insolvency

- **Intellectual Property**

- Charities
- Real Property

(property juniors at all levels of seniority are welcome to apply)

Serle Court is committed to fostering equality and diversity in Chambers and strongly values the benefits that difference in background, experience and perspective can bring. We particularly welcome and strongly encourage applications from women and candidates from an ethnic minority background or with a disability.
