Practice Overview

George joined Chambers as a tenant in October 2021 following the successful completion of his pupillage under the supervision of Lance Ashworth KC, Constance McDonnell KC, Dan McCourt Fritz KC, Matthew Morrison, and Gareth Tilley. He is developing a broad commercial chancery practice in line with chambers' profile, with a particular emphasis on work in the private client, trusts, civil fraud, commercial litigation, and company law spheres. George regularly appears both led and unled in the High Court and County Court, and is equally as happy to advise clients in his sole capacity, as he is to work as part of a larger counsel team.

George read History at the University of Cambridge, graduating with a first-class degree whilst receiving several awards and scholarships. He undertook the GDL at City Law School where he was awarded a Distinction (ranking fifth in his year), before completing the BPTC in 2020 (graded Outstanding) having been awarded a Major Scholarship and Duke of Edinburgh Entrance Award by Inner Temple.
