Practice Overview

Ramyaa joined chambers in July 2023 after successfully completing a period of training and assessment in place of pupillage as she was granted a full exemption from it by the Bar Standards Board, in view of her prior professional experience. During her training Ramyaa was supervised by Constance McDonnell KC, Dan McCourt Fritz KC, John Machell KC and Jonathan Adkin KC. She also assisted various other members of Chambers and enjoyed working in a range of practice areas including Civil Fraud, Insolvency, Company Law, Contentious Trusts and Probate.

Before coming to the Bar, Ramyaa was a Senior Associate in the litigation department of Herbert Smith Freehills in London, where she had trained and qualified as a solicitor of England & Wales (2017) and as a solicitor advocate (2020). Her practice as a solicitor was primarily focussed on high-value commercial disputes but also extended to aspects of competition law and public inquiry work. Ramyaa therefore has significant experience of acting in and advising on complex, high-value commercial disputes at all stages of litigation and is adept at turning her hand to a range of practice areas.

For the legal year 2020-21, Ramyaa was the Judicial Assistant to Lord Kitchin at the UK Supreme Court and the Judicial Committee of the Privy Council, assisting with the most complex and high-profile cases in the UK and across a number of Commonwealth jurisdictions. In this role she worked on appeals that raised difficult issues of law in a variety of areas including tort, contract, company, trusts, tax and public law.

Ramyaa is developing a broad practice in Chambers' core areas whilst further developing her existing expertise in Commercial disputes.
